

Printer Notes

11" x 17"

Size: 11" x 17"

The finished size, once cut down to remove the bleed overhang, should be 11" wide by 17" tall.

Bleeds: Yes

Trim the design using the included crop marks to remove the 0.125" bleed.

Fonts and Imagery: Embedded

All fonts and imagery have been embedded within the file.

Color: 4/0

The file should be printed as 4/0 (full color, one side printing).

Paper: Satin 80# Cover

The recommended paper stock is a satin finish with an 80 pound cover weight or mounted to a foam core backing.
